

PHYSICIANS FOR REPRODUCTIVE HEALTH

VOICES OF COURAGE

MONDAY, MAY 4 // 6:00 – 8:30 P.M.
NEW YORK CITY & LIVESTREAMED

Join **Physicians for Reproductive Health** for an evening grounded in purpose, power, and collective action, honoring two courageous abortion providers whose leadership and care are transforming their communities—even in the face of relentless political attacks, harassment, and criminalization. The evening will feature a special appearance by John Oliver, host of *Last Week Tonight*.

Your support directly fuels our nationwide movement of physician advocates—equipping doctors with the training, tools, and platforms needed to shape public narratives, advance evidence-based policy, and push back against coordinated attacks on reproductive health care. Through strategic communications, public policy advocacy, and frontline organizing, physician advocates lead the defense of reproductive health, rights, and justice, as well as the fundamental freedom to control our bodies and our futures.

Voices of Courage, Physicians for Reproductive Health's annual fundraising and community-building event, will convene 300 in-person guests and reach an additional 1,000+ attendees via livestream, amplifying the voices of physicians who refuse to be silenced and the movement that stands with them.
